

## **Training and Awareness Programmes on Family Business**

Our annual training programme on Family Business (Perpetuating the Family Enterprise) was held on October 25 – 28, 2010. Professor John Ward and Professor Ramachandran jointly conducted this much sought after programme.

As part of the efforts of the Chair to spread the message of successfully managing family businesses, Professor Ramachandran delivered three lectures recently, as mentioned below. In all the locations, enthusiasm of the delegates was overwhelming, indicating a definite need to an active network for this target group.

“Managing Challenges of a Family Business” – Half day session at CII Amritsar

“Preparing your Family Business for Strategic Change” - Half day workshop at CII Ludhiana

“How to Build Long Lasting Family Businesses” – Two hours session at TiE Chapter, Delhi
